

WORKSHOP ON TEACHING AND LEARNING METHODOLOGIES

In order to develop and motivate the faculty, one day workshop on Teaching and Learning Methodologies was organized at RGCE on 19th September 2015. Dr. B. Ilango, Former Vice-Chancellor, Bharathiyar University an eminent educationist and administrator was invited to conduct the workshop. It was a one day programme. Dr B. Ilango was the most appropriate person for this programme as he was Anna University and IIT-K alumni and has extensive engineering teaching and administrative experience in India and abroad. He was VC of Bharathiyar University and has been in various committees of AICTE, AU etc.

He covered various aspects of not only teaching and student administration but also personality development of the faculty. This has helped faculty in sharpening their teaching skills. Dr B. Ilango emphasized in teaching in English language so that student are better employable. He has also dealt with various Anna University, AICTE and NABL regulations for accreditation

Feedback from the faculty has been very positive from over 100 faculty members who attended the workshop.

Principal Dr. R. Ponnusamy welcomed the gatherings. Dr. M. Madhu, I Year Co-ordinator has thanked Dr. B. Ilango for sparing his valuable time and sharing his valuable knowledge and experience.
